## Canvases from J. Malahy Designs

We are very excited to have new canvases in stock this month from J. Malahy Designs. Her "French Girl" canvas is shown finished as a hand bag with her coordinating "Peeper Keepers" eyeglass case.

We couldn't resist the other designs so we also have Beach Girl, City Girl, and Country Girl.

We also have new canvases by Raymond Crawford, Cooper Oaks Designs, Labors of Love Needlepoint, Alice Peterson Company and Gayla Elliott Designs.

## Classes, Classes, Classes

If you missed David McCaskill's awesome "Tips, Tricks and Techniques" class last month, don't worry, we have more classes for you in May!

Julia Snyder, author of several stitch books, is returning to In Stitches May 21 & 22 to do her wildly popular Help and Embellishment classes again.

Bring your current needlepoint project and spend all day with Julia getting great stitch, thread and design ideas.

Each day is a separate session. Sign up for one or both! Each session is \$75.

Can't make it in May? Julia will be back in July and September.
